

X Series[®] Casegoods

Product Sheet

With an extensive statement of line, Haworth X Series steel casegoods offer highly durable and hugely flexible interior solutions. Supporting diverse needs, budgets and styles, X Series casegoods create complete office environments with desks, credenzas, returns, bridges and a comprehensive storage offering.

X Series casegoods easily integrate into any environment with an impressive selection of finishes, materials and pull options. With choices such as natural or double-cut veneers, laminates, translucents, and perforated metal, X Series brings options to the interiors. From executive offices to private spaces to open plan environments, X Series casegoods easily support your needs.
