

Very® Task

Product Sheet

A Seat Just For You

A notable member of the award-winning Very seating family, the Very Task chair is all about science-led comfort. Its patented lumbar support, with asymmetrical control, gives users an ideal ergonomic solution that enhances comfort and well-being. Designed by Michael Welsh and Nicolai Czumaj-Bront of the Haworth Design Studio, the Very Task chair's top characteristics include its universal appeal, wide range of application, increased sustainability, fantastic scope of color, and innovative options.

Make sure to complement your Very Task chair with a range of Very seating, including the Conference, Seminar, Side, and Wire Stacking chairs, for a consistent aesthetic throughout your space.

Very Smart. Very Versatile. Very Responsible.

Very Task

The Very Task chair is available with asymmetrical lumbar support. The lumbar pad can be adjusted four inches in height to coincide with the user's small of the back, and each handle can be rotated up or down to achieve independent and varying amounts of support.

With 4-D arms, Very Task's armrests are adjustable from side-to-side, front-to-back, and pivot in or out. The arms also adjust up or down in height. Also available in fixed-arm, height-adjustable, and armless versions.

Available in the seven mesh colors shown and an optional back jacket.

Trim Options:

- Black Trim
- Fog Trim

Base Options:

- Polished Aluminum
- Metallic Silver
- Metallic Champagne
- Metallic Gunmetal

Very Smart

The sleek Very Task chair provides science-based ergonomics, personalized comfort and design, and durability at a sensible price.

Highlights include available asymmetrical lumbar support, supportive mesh, seat depth and height adjustment, and tilt-tension adjustment, as well as back-stop and forward-tilt options.

Very Versatile

From options that provide simple comfort to high ergonomic performance, there's a Very Task for everyone. Whether you prefer neutral colors and a supportive mesh in a workstation or a vibrantly tinted, upholstered chair for the corner office — Very Task brings choices to life.

Very Responsible

Always a conscientious choice, Very seating goes easier on the environment. The Very Task chair includes up to 65% recycled content and is up to 98% recyclable. It can be disassembled for recycling quickly or returned to Haworth through the take-back program.

Very is GREENGUARD® Children & SchoolsSM certified and BIFMA level™ 2 certified. Very seating is sure to support your sustainability strategies and may contribute toward LEED® credits.
