HAWORTH®

A Timeless Aesthetic.

Clean. Simple. Accommodating. The work of Chesser Schacht Design, Forenze guest seating is a curvilinear designed series of wood chairs that redefine traditional, contemporary, and transitional environments. And freedom of choice. Chair frames are offered in five back and four arm options. A range of elegant fabrics and finishes. And all styles can be used with a variety of Haworth casegoods.

From Traditional to Contemporary environments, Forenze has a place.

With five back and four arm styles, Forenze is a complete, versatile seating solution.

General Notes and Specifications

The finest method of joinery, mortise and tenon secures the hard maple frame and seat rails. Double cross-locking dowels, with both glued and screwed corner blocks, ensure strength and enduring performance. Exceptional attention to detail includes flush joints on the side and top assembly, softly tapered back details and a rich lacquer finish.
